3. NEW BUSINESS:

A special meeting was called to discuss a partnership proposed by the Kennewick School District regarding Sunset Park. The City of Kennewick park property adjacent to Sunset View Elementary School currently hosts 4 tennis courts. Park parking is shared with the school. At their cost, KSD is recommending repurposing two tennis courts into about 40 parking spaces, and resurfacing and restriping the remaining two tennis courts to also accommodate pickleball.

Vice Chair Britain made a motion to “partner with the Kennewick School District at Sunset Park to repurpose a tennis court for additional park user and elementary school parking and refurbish and restripe remaining tennis courts to also accommodate pickleball, in compliance with Washington State Recreation and Conservation Office grant guidelines.”

With a second from Commissioner Falk, the motion passed unanimously. Commissioner Anderson abstained from the vote.

4. ADJOURNMENT

The meeting was adjourned at 5:45pm.

Respectfully submitted,

Isa Quintanilla, Recorder
