

14.07.020: - Application from Outside City Limits.

- (1) The Finance Department, in addition to the application for water service set out above, will require from all applicants residing outside the territorial limits of the City such documents as are deemed necessary to ensure that the property of the applicant, or any person claiming title through him, will be annexed to the City when it becomes reasonably contiguous. In the event that the applicant refuses to execute any document as required or attempts to impair or repudiate any document or agreement executed either by himself or a predecessor in interest, the City's duty to supply services shall cease. In the event that property reasonably contiguous to the City becomes annexed and then removed as the result of a reduction of the City limits (except when initiated by resolution) or when the proposed annexation of an area fails or is held invalid, the City's duty to provide utility service thereto shall cease.
- (2) Developments or groups requesting connections to the public water systems outside the City limits shall be submitted for approval to the Director of Public Works, after completion of pre-zone condition per RCW 35A.14.330.
- (3) Single hookups to the public water system may be allowed with the approval of the Public Works Director.
