Residential Permit Submittal Checklist Post-Fire Inspection Permit

You may apply for a Building Permit online at [Customer Self Service](#). Once you have registered for a username and password, log in and select Apply, then select the type of permit for which you are applying and follow the prompts. If you need assistance please contact us at (509) 585-4266.

Information you will needed at time of submittal :

- Location of fire damage (kitchen, garage, etc.)

If you are a contractor or a homeowner hiring a contractor, you will need to provide the following:

- City of Kennewick Business License # (UBI) & Expiration Date
- WA State Contractor's License # (L & I) & Expiration Date

Fees are required to be paid before inspections can be scheduled. The applicant will be invoiced for the fees following submittal.

Note: This checklist is not a substitute for codes and regulations. The applicant is responsible for compliance with all codes and regulations, whether or not described in this document. Building Official may require additional documentation as needed.
